Controller is an economic operator registered in Hungary.

Data processing principles

During data processing, Controller shall act in good faith, in a fair and transparent manner, in cooperation with the data subjects. Controller shall only process the data determined by law or to which data subjects consented to, for the purposes specified below. The scope of the personal data that is being processed is proportionate to the purpose of the data processing, it shall not exceed it.

Controller shall not check the personal data it has been provided. Only the person providing the personal data is responsible for their truthfulness.

Controller shall not transfer the personal data it processes to third parties.

Purpose of data processing

Controller shall process personal data only with a specified purpose, to exercise a right or to fulfill an obligation. Data processing is in accordance with the purpose of the processing in every stage of the processing. Data is collected and processed fairly and lawfully. Personal data shall be processed to the extent and for the duration that is necessary to accomplish the purpose.

Data is processed primarily with the purpose of providing the services of Controller.

In light of the above, the purpose of data processing:

- Communication with the visitor;
- Acquiring information on the health problem absolutely necessary for the provision of the service.

Scope of processed data

Controller shall process only such personal data that visitors have provided. The processed data are the following:

Visitor’s first name, surname, room number, the health data absolutely necessary for the provision of the service (existing health issue).

Description of data processing scenarios

Data processed while using the service

Scope of processed data	Purpose of data processing/Legal basis	Storage time	Persons authorized to access the data
Visitor's name, hotel room number	Communication. Legal basis: providing the service	For 30 days after the service was rendered	Managing director of the Company, employee providing the service.
Health data sheet	Customizing the use of the services, limiting the use of the service. Legal basis: providing the service	For 30 days after the service was rendered	Managing director of the Company, employee providing the service.

How the personal data are stored

The Company stores the data depending on how they are created:

- a) if it processes the data based on a written consent, it shall store such data in its original written form for the duration determined above;
- b) data that are created on the basis of the electronic declarations, or while the service is being used, shall be stored in an electronic format for the period determined above.

Rights of data subject with regard to data processing by the Company

Data subjects affected by the personal data processing (User, Visitor, Employee) may request to obtain the following from the Company, as long as it is permitted by law:

- access to personal data;
- rectification of the personal data stored;
- erasure of the personal data;
- restriction of the processing of the personal data;
- objection to the processing of the personal data;
- transfer of personal data to another controller (right to data portability)
- if he or she has consented to the processing of personal data, this consent may be withdrawn at any time.

The Company shall provide feedback to the data subject on the above requests within 30 days, either communicating the fact that the request has been complied with, or the fact that it has been rejected (in which case including an explanation).

If data subject does not agree with the measure the Company has taken or the reply it has provided, he or she has the following legal remedies available:

- lodge a complaint with the National Authority for Data Protection and Freedom of Information (address: 1125 Budapest, Szilágyi Erzsébet fasor 22/c; phone: +36-1-391-1400; e-mail: ugyfelszolgalat@naih.hu), or
- turn to the competent court in case of a violation.

Other Provisions

Controller maintains the right to amend the Information at any time. Controller shall notify data subjects by way of publishing it on the website or announcing it in BridgeSPA.
